Description of Incident:

At approximately 9:30PM on Saturday, September 22nd, Isaiah Cup, serving as the RA on call received a noise complaint from a resident of Walker dorm directed at the residents of Walker 624/625. After dealing with a lock out situation in Clark V, Isaiah walked to Room 624. As he approached the dorm room, Isaiah saw Summer Matthews emerge from the room. Isaiah asked Summer to stay outside of the room while he investigated the scene inside. Summer had left the door of 624/625 open, and Isaiah was able to see inside of the room and observed large table in the front room of the two-room double, and many red plastic cups on the table. Isaiah could also see Jeffrey Tupper pouring beer into the cups. Isaiah announced himself as an RA, and entered the dorm room. Isaiah asked Jeffrey to turn off the music, and Jeffrey complied. There was one individual in the room who ran out of the room as soon as Isaiah entered. Isaiah talked to Jeffrey, who identified Room 624 (the outer room) as Summer's room. Isaiah identified the table in the room as a table taken from Walker Lounge, and told Jeffrey and Summer that they were in violation of College Policy, and asked Summer and Jeffrey to return the table

immediately, as there was a large event that night in Walker Lounge. Summer and Jeffrey brought the table back to Walker Lounge shortly after Isaiah left.

Isaiah submitted an incident report describing the events in Room 624 at 10:30pm that night. He was unable to identify the individual who ran out when he entered the room, and was able to identify all other individuals involved. Summer and Jeffrey were unwilling to identify the individual who ran out of the room when Isaiah entered the room. The table that Summer and Jeffrey brought back to Walker Lounge was later identified as a table that had been reported missing by Pomona College Housekeeping for two weeks.
